Dear Sir

You are sending a not guilty man to hang.

When Cook hangs you + your jury will be guilty.

I live in Stettler + I did it but it is up to you + the R.C.M.P. to get me the R.C.M.P all ways get there man, so they say. If you hang Cook before you get me, I will come to you, + then how will it look to you + your guilty jury.

So think it over be fo April 15.

CRANK OR MURDERER? — Albertan reporter Lynne Cove, who covered the recent Cook murder trial at Red Deer, was recipient of the above letter just before Christmas. The writer, who didn't know Lynne was a "Miss' claims to be the real murderer of the Cook family. The letter was turned over to RCMP who haven't yet decided whether the writer is a murderer or a crank.
